Recycling

[Verse]

Paper here
Plastic there
Metal shining everywhere
Sorting's easy
Don't you see
One
Two
Three
It's trash-free!

[Chorus]

Trash to treasure
Watch it go
Sort it out
Make it glow
Trash to treasure
Here we do
A better world starts with you!

[Verse 2]

Glass in one
Cans in two
Colours make it fun to do
Banana peels
They go away
Compost grows a tree someday

[Chorus]

Trash to treasure
Watch it go
Sort it out
Make it glow
Trash to treasure
Here we do
A better world starts with you!

[Bridge]

Bottles

Boxes

Shiny tin

Put them where they all fit in

We're the heroes

You and me

Saving Earth is the key!

[Chorus]

Trash to treasure

Watch it go

Sort it out

Make it glow

Trash to treasure

Here we do

A better world starts with you!
