Pushes and pulls

[Verse 1]

A push moves it far away
A pull brings it close to stay
Push the swing and watch it go
Pull the rope nice and slow

[Chorus]

Push push push
Watch it roll
Pull pull pull
Take control
Push it up
Pull it down
Forces make the world go round

[Verse 2]

Push the door to open wide
Pull the wagon for a ride
Push the ball across the floor
Pull your chair
Sit some more

[Chorus]

Push push push
Watch it roll
Pull pull pull
Take control
Push it up
Pull it down
Forces make the world go round

[Bridge]

Push the cart at the store

Pull the kite
Let it soar
Push and pull
It's all so fun
Forces work for everyone

[Chorus]
Push push push
Watch it roll
Pull pull pull
Take control
Push it up
Pull it down
Forces make the world go round
