

DISCOVERY CLUB

Exploring where your interests can lead you

I am interested in...

ANIMALS

★ Lots of people work with animals in different ways every day!

Here are some of the jobs that might be perfect for someone who loves animals.

Animals are amazing! There are so many ways to look after them, study them and help them.

VET

Vets look after animals when they are sick or hurt. They help pets, farm animals and wildlife.

FARMER

Farmers care for lots of animals such as cows, sheep, pigs and chickens. They work all year round!

PET SHOP OWNER

Pet shop owners look after animals and help people choose the right pets and how to care for them.

WILDLIFE PHOTOGRAPHER

They take photos of animals in the wild to help people learn about them and protect them.

DID YOU KNOW?

- ★ There are over 1.5 million species of animals in the world!
- ★ Some vets treat tiny hamsters, others treat elephants!
- ★ Farmers help grow the food that animals and people need.
- ★ Many animal jobs help protect wildlife and the planet.

ANIMAL TRAINER

Trainers teach animals new skills for shows, films or to help people, such as guide dogs.

ZOO KEEPER

Zoo keepers look after animals in zoos. They feed them, clean their homes and check they are healthy and happy.

ANIMAL RESEARCHER

Researchers study animals to learn how they live and how we can protect them.

COULD THIS BE FOR YOU? ?

Do you enjoy being around animals?

Do you like learning about how they live?

Do you want to help look after them?

Keep exploring, keep asking questions and who knows where your interest in animals might take you!

What animals are you most interested in? Tell us and we can help you discover more!

Every interest can lead somewhere! ★ Keep discovering! ★ You can make a difference!
