

DISCOVERY CLUB

Exploring where your interests can lead you

I am interested in...

PLANTS

Lots of people work with plants in different ways every day!

Here are some of the jobs that might be perfect for someone who loves plants.

Plants are amazing! They help our planet, make us feel better and are used in so many wonderful ways!

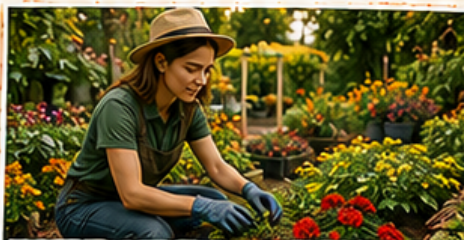

PLANT FARMER

Plant farmers grow crops, fruit, vegetables and flowers that feed people and make the world a more beautiful place.

FLORIST

Florists create beautiful flower arrangements for special occasions like birthdays, weddings and events.

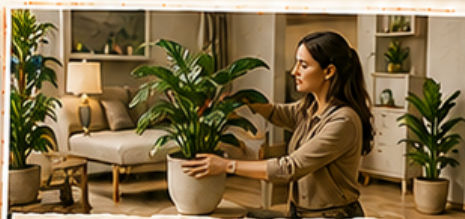

HORTICULTURIST

Horticulturists look after gardens, parks and green spaces. They help plants grow healthy and look their best.

PLANT SCIENTIST

Plant scientists study how plants grow, how to protect them from disease and how to make them stronger.

PLANT & HOME DESIGNER

They use plants to design beautiful indoor and outdoor spaces that make people feel happy and relaxed.

NURSERY MANAGER

Nursery managers look after plant nurseries, trees and shrubs. They make sure plants are healthy and ready to sell.

LANDSCAPE DESIGNER

Landscape designers plan and create outdoor spaces like gardens, parks and school grounds.

BOTANICAL EDUCATOR

They teach others about plants in gardens, museums, schools and nature centres and inspire a love of nature.
