

Students: fill in next to the word answer and return the document for assessment.

Geography

Book: The Mountain Book

Pages 4-9

Everything here is based on our Curriculum Visions book The Mountain Book.

In this segment we are going to think about what mountains are, where we find them, and why they are in long lines.

You will need to go to pages 4-5 of the book.

Part 1

What you will see is a picture of a mountain landscape.

Write down three ways in which people use this landscape

Answer.....

Part 2

Play the video on page 4. The speaker says that people have struggled to make a living for thousands of years. Why is it hard to make a living?

Answer.....

Part 3

In the same video.

What do most people make a living from today? Farming or tourism.

Answer.....

Part 4

In the same video: trains have to go up and down very steep slopes. What do they use to help?

Answer.....

What are the roads over the passes like?.

Answer.....

Part 5

Turn to pages 6-7

What is the pattern of mountains over the Earth's surface.

Answer.....

Write down four mountain chains

Answer.....

Part 6

Now turn to pages 8 and 9.

The mountains are caused by something happening inside the Earth. Write a short description of what causes mountain chains to be pushed up and their rocks folded.

Answer.....

That is the end of this worksheet, and you can now turn to another one. Also, find out if your teacher has left you any other worksheets or special instructions on your school website.
