

Students: fill in next to the word answer and return the document for assessment.

Geography

The Coast Book

Everything here is based on our Curriculum Visions book The Coast Book.

In this segment we are going to think about how people affect wellbeing and wildlife.

Pages 38-45

Part 1

Pages 38-41

Play the right hand video on page 38.

On pages 38-39, we have set out some differing points of view about using the coast. Say which ones you agree with, and why.

Answer.....

Depends on student's choice.

What would happen if we left a coast alone?

Answer.....

Nothing if it were hard rock coast such as Newquay, but a lot of change for soft rock areas like Whitby and East Anglian resorts.

Now play the video on page 40.

Why do you think this path might be valuable to everyone?

Should building be allowed here?

Answer.....

Depends of student's viewpoint.

Part 2

Pages 42-43

Name the three types of pollution that can affect coasts?.

Answer.....

Sewage and waste such as plastic – permanent problems worldwide; oil spills, occasional problems but locally very severe.

Part 3

Pages 44-45

Should we be bothered about any of the wildlife shown on pages 44-45, and if so, what do you suggest we do? Would you give up the pleasure of using a beach?

Answer.....

Depends on student's viewpoint

That is the end of this worksheet, and you can now turn to another one. Also, find out if your teacher has left you any other worksheets or special instructions on your school website.

If you interested in this topic continue to browse the book and watch our amazing videos. They start right on the book cover.

Or you may want to see related books. If so just go to the top of the screen, select Geography, and from the page that opens choose Coast.
