

Materials

**We use materials
to make things.**

Everything is made from something.
We say it is made from a material.

There are lots of materials
to make things with.

We can use wood.

We can use leather.

We can use wool.

We can use plastic.

We can use glass.

These mugs are
made from plastic.

These pencils are made from wood.

These old boots are made from leather.

spoon

shirt

tumbler

Can you think of more materials?
