

Dim and bright

When there is not much light,
it is dim.

Another word for dim is dull.

It is often dull on a cloudy
day, or in the woods.

It is dim indoors without
the lights on.

It is often dull on a snowy day.

It is often dull on a cloudy day.

It is often dull
on a foggy day.

It is sunny in these woods.

It is dim in these woods.

When is the light dim in the sky?
