

Pulling

We can move things when we pull them.

We use many words for pulling.

We pick things up.

We lift things.

We carry things.

We drag things.

We stretch things.

We tug things.

We rip things.

We can pick chocolates from a box.

A horse pulls a carriage.

sled

Parents pull a sled.

We lift shopping into the car.

**When you put your socks on
do you pull or push them?**

A boy tugs
on a rope.
