

# Moving about

There are many ways to move in the playground.

You can see here how many ways of moving about there are in a playground.

Each time we move we need to push or pull ourselves.

This girl is going down a slide.

This boy is pulling himself up a climbing frame.

This baby swings to and fro  
when she is pushed.

This boy is going round and  
round on a merry-go-round.  
He is pushing it with his foot.

**How many different ways do you move in a playground?**
