

# Noise

**A noise is a sound that people do not like.**

A noise is a sound we don't like.

A noise can be quiet as well as loud.

A quiet noise is someone tapping a desk when we are trying to read.

Snoring is a noise that can keep us awake.

We can cover our ears to keep out some noise.

Some people think  
rock music is a noise.

The sound of traffic  
can make a noise.

Large digging machines  
make a noise.

**Is cheering a noise?**

**Do you like people to cheer you?**
