

Loud and quiet

Sounds are not all the same.

Some sounds are loud.
An alarm bell is loud.

Some sounds are quiet.
A cat purring is a quiet sound.

Loud sounds can be heard
from a long way away.

Quiet sounds can only be
heard if you are very close.

Helicopters make a loud sound.

A fire bell makes
a loud sound.

A purring cat makes
a quiet sound.

A whisper is a
quiet sound.

Turn this page. Do you make a loud or a quiet sound?
