How does a plant grow?

People sometimes have difficulty keeping plants at home because they do not understand all of the plants' needs.

Q1. Look at this plant and find the labels A, B, C and D. Write down your answers to these questions.

(a) What is A? A flower, leaf, stem or root?

.....

(b) What is B? A flower, leaf, stem or root?

.....

(c) What is C? A flower, leaf, stem or root?

.....

(d) What is D? A flower, leaf, stem or root?

.....

Q2. What two things are taken in by the leaf?

.....

.....

Q3. Which part of the plant makes food?

.....

Q4. What do seeds make?

.....

Q5. How does water in the soil get to the leaf?

.....

.....
