

Name: Form:

Based on pages 22 and 23 of *Habitats*

Improving habitats

Try this...

1. How could you improve the environment around your school to help the following animals survive? Answer in writing and with drawings.

(a) woodlice

(b) spiders

(c) bees

(d) butterflies

(e) Frogs

2. Choose another animal and describe how you could help it survive in the environment around your school.
