

Name: ..... Form: .....

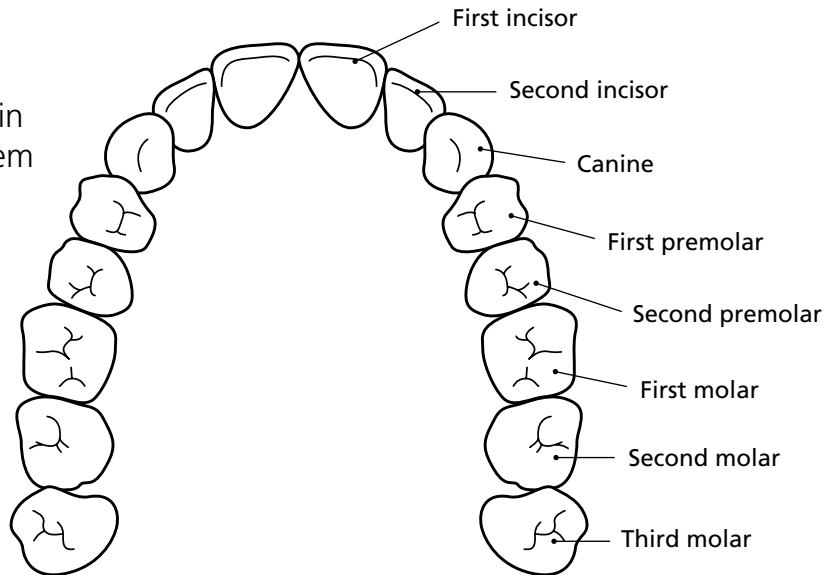

Based on pages 6 and 7 of *Microbes*

# Microbes on your teeth

Try this...

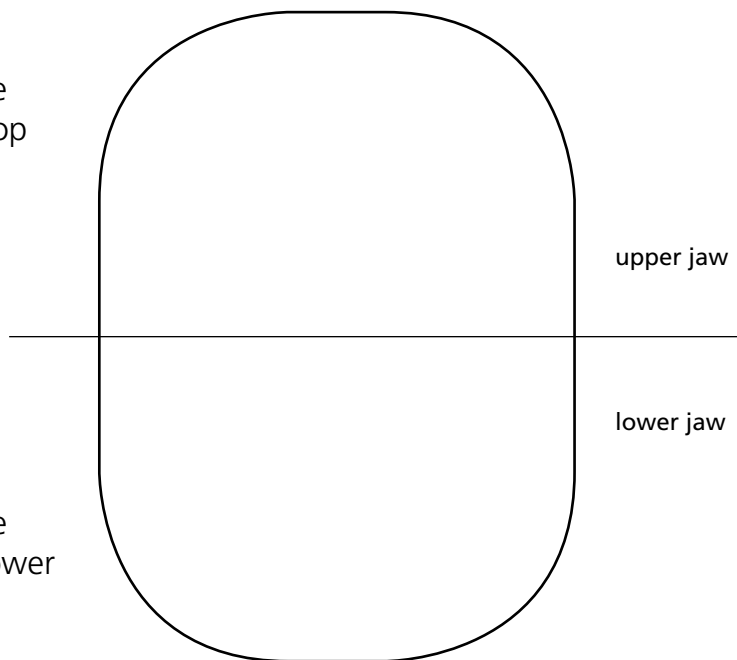

1. Look in a mirror at the teeth in your upper jaw and compare them with the teeth in Diagram 1.

Diagram 1

2. Draw the arrangement of the teeth in your upper jaw in the top half of Diagram 2.

Diagram 2

3. Draw the arrangement of the teeth in your lower jaw in the lower half of Diagram 2.

4. Chew a disclosing tablet.

5. Look in the mirror again. The purple stain shows where microbes are living in your teeth.

6. Colour in the teeth in Diagram 2 to show where microbes are living on them.

7. Clean your teeth with a toothbrush. How does this affect your teeth?
