

## CurriculumVisions Lesson 1

Students: fill in next to the word answer and return the document for assessment.

Religion

The Mosque

Book: Muslim Mosque

Everything here is based on our Curriculum Visions book Muslim Mosque.

In this segment, we are going to think about how the different ways in which the Muslim mosque is used.

Part 1

You will need to go to pages 4 and 5 and look at the big picture.

What is this room called? What is it used for? Why are there no chairs in this room?

Answer.....

Part 2

Look at the illustration on pages 8 and 9.

What are some parts of the mosque that are reminders of where Islam began?

Answer.....

Part 3

On page 10 you can see a crescent moon. Why is this an important symbol in Islam? What Arabic words can you often find on the outside of the mosque? Why are they written in Arabic?

Answer.....

Part 4

Look at the text and pictures on pages 12 and 13. What kinds of learning are going on in the mosque?

Answer.....

## Part 5

Look at the text and pictures on pages 14 and 15. What are some of the benefits that people get from going to a mosque?

Answer.....

## Part 6

Read the text on page 16 and look at the time table on page 17. What are some of the things happening in the mosque that week?

Answer.....

## Part 7

Read pages 18 and 19. What are some of the things that are expected from visitors to a mosque?

Answer.....

## Part 8

Look through the book. On what pages can you see examples of calligraphy? Tiles used as decoration? Geometric designs? Why are there no statues or pictures of people or animals?

Answer.....

## Part 9

Look at pages 22 and 23. How are these mosques similar? How are they different?

Answer.....

-----

That is the end of this worksheet. Find out if your teacher has left you any other worksheets or special instructions on your school website.

If you are interested in this topic you may want to see related books. If so just go to the top of the screen, select religion, and from the page that opens choose Islam or type a topic into our safe search engine.
