

CurriculumVisions Lesson

Students: fill in next to the word answer and return the document for assessment.

Science

Book: Gases around us (5C)

Pages 4-9

Everything here is based on our Curriculum Visions book Gases around us (5C).

In this segment, we are going to learn more about gases.

Part 1

You will need to go to pages 4-5 of the book.
What are the differences between a solid, liquid and gas?

Answer.....

Part 2

Go to pages 6-7. Describe what happens when two gases mix.

Answer.....

Part 3

Go to pages 8-9. If someone is cooking in the kitchen of a house, how can you smell the food in the other rooms? Will the smell be as strong in the other rooms as it is in the kitchen? Why or why not

Answer.....
