

CurriculumVisions Lesson

Students: fill in next to the word answer and return the document for assessment.

Science

Book: Earth and beyond (5E)

Pages 18-23

Everything here is based on our Curriculum Visions book Book: Earth and beyond (5E)

In this segment, we are going to learn more about the planets and other things in our solar system.

Part 1

You will need to go to pages 18 and 19 of the book. Choose one of the rocky planets and research more about it. Make a poster of what you have learned.

Answer.....

Part 2

Go to pages 20 and 21 of the book. Choose one of the gas giants and research more about it. Make a poster of what you have learned.

Answer.....

Part 3

Go to pages 22 and 23 of the book. What is the difference between an asteroid, a meteoroid and a comet?

Answer.....

If you are interested in this topic continue to browse the book and watch our amazing videos. They start right on the

book cover.
