Dinosaurs  
Book: Exploring dinosaur times  
Pages 6-9

Students: Fill in the answers and return for assessment

Everything here is based on our Curriculum Visions book Exploring dinosaur times.

In this segment, we are going to learn about fossils and dinosaur bones.

You will need to go to pages 6-7 of the book.

Part 1

Describe the process of fossils being formed.

Answer ...

Part 2

What can become a fossil?

Answer ...

Now, turn to pages 8-9 of the book.

Part 3

Look online or in books for a picture of a fossil skeleton. How many parts of the skeleton can you name?

Answer ...

That is the end of this worksheet, and you can now turn to another one. Also, find out if your teacher has left you any other worksheets or special instructions on your school website.

If you interested in this topic continue to browse the book and watch our amazing videos. They start right on the book cover.

Or you may want to see related books. If so just go to the top of the screen, select history, and from the page that opens choose Body Book.
