Book: Living Things in Their Environment

Pages 14-17

Students: Fill in the answers and return for assessment

Everything here is based on our Curriculum Visions book Living Things in Their Environment.

In this segment, we are going to learn about communities and food chains.

You will need to go to pages 14-15 of the book.

Part 1

All the animals in an area make up a community. Chose an area near you, such as a pond or park, or an area that you have read about or seen on TV. What plants and animals make up this community?

Answer ...

Now turn to pages 16-17 of the book.

Part 2

In your own words, describe what a food chain is.

Answer ...

Part 3

Think about the community you described in Part 1. What is an

example of a food chain in that community.

Answer ...

That is the end of this worksheet, and you can now turn to another one. Also, find out if your teacher has left you any other worksheets or special instructions on your school website.

If you interested in this topic continue to browse the book and watch our amazing videos. They start right on the book cover.

Or you may want to see related books. If so just go to the top of the screen, select science, and from the page that opens choose Living Things in Their Environment.
