

Environment
Book: Living Things in Their Environment
Pages 30-33

Students: Fill in the answers and return for assessment

Everything here is based on our Curriculum Visions book Living Things in Their Environment.

In this segment, we are going to learn about different types of habitats.

You will need to go to pages 30-31 of the book.

Part 1

How do mountain plants adapt to the harsh mountain environment?

Answer ...

How do mountain animals adapt to the harsh mountain environment?

Answer ...

Now turn to pages 32-33 of the book.

Part 2

What are some ways that desert plants are adapted to the desert environment?

Answer ...

What are some ways that desert animals are adapted to the desert environment?

Answer ...

That is the end of this worksheet, and you can now turn to another one. Also, find out if your teacher has left you any other worksheets or special instructions on your school website.

If you interested in this topic continue to browse the book and watch our amazing videos. They start right on the book cover.

Or you may want to see related books. If so just go to the top of the screen, select science, and from the page that opens choose Living Things in Their Environment.
