

Science
Adapting and competing
Book: The Plant Book
Pages 28-33

Students: Fill in the answers and return for assessment

Everything here is based on our Curriculum Visions book The Plant Book.

In this segment, we are going to learn about how plants defend themselves and how they compete with other plants.

You will need to go to pages 28-29 of the book.

Part 1

Why do plants need to defend themselves?

Answer ...

Part 2

Describe three ways that plants defend themselves.

Answer ...

Now turn to pages 30-31 of the book.

Part 3

What are plants competing for?

Answer ...

Part 4

What is the main way that annuals compete?
Why is a garden with a lot of weeds in it a sign of success for annual plants?

Answer ...

Now turn to pages 32-33 of the book.

Part 5

What is the word for a plant that lives for many years?

Why are most wilderness areas made up of trees - why are trees so successful?

Answer ...

That is the end of this worksheet, and you can now turn to another one. Also, find out if your teacher has left you any other worksheets or special instructions on your school website.

If you are interested in this topic, continue to browse the book and watch our amazing videos. They start right on the book cover.

Or you may want to see related books. If so just go to the top of the screen, select science, and from the page that opens choose The Plant Book.
